

Summer 2020 Specific Safety Guidelines

BBT is REOPENING in a phased & measured approach to help keep all students and teachers safer and healthier in the TEMPORARY air-conditioned space of The Center for Artistic Development, Inc. (2880 West 12 Street, Brooklyn, NY 11224) for Summer Program ONLY.

We will be running our dance programs according to the guidelines issued by the New York State Department of Health for New York City day camps.
https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/summer-camps.html#anchor_1589932957420

Even though we are not licensed as a day camp, we believe this is the safest protocol for us to follow.

1. Drop-Off: BBT's Assistant will meet students at the front entrance of the building. No parents are allowed inside.
2. BBT Students and Teachers must have body temperature check conducted by BBT's Assistant before entering the class.
4. Classes are in capacity of **6 people max*** per room, beside the teacher. This way we can keep everyone on a safe distance - 6 ft. apart. **No hand-holding, touching, hugging or sharing.**
5. A **short break** between the classes will allow us to disinfect the classroom by UVC lamp to minimize risk from bacteria and viruses before the next group..
6. We ask all students to be dressed appropriate for the class when they arrive, so we can eliminate changing rooms.
7. Every student should bring their **OWN towel** for the floor exercises and their **OWN water bottle**.
8. BBT will provide Kids-Friendly Hand Sanitizers, but you are welcome to provide your own.

Registration needs to be done Online or In-Person by appointment only 24 hrs prior to the class. Since we have limited capacity for each class, registration is on a **first-come, first-serve basis**.

For appointments:

Call: (718) 769-9161 or (929) 610-2117
